

## ACTIVATED CHARCOAL SOAP

### KEY INGREDIENTS

- The charcoal soap is designed to help with oily or acne prone skin.
- Enhanced with Tea Tree Oil that has traditionally been used for acne, athlete's foot, nail fungus, wounds, and infections in home treatments.

### BENEFITS AND SUGGESTED USES

- Acne, oily skin, irritated skin all benefit from charcoal.
- All of our soaps are SLS, (a shard surfactant that dries your skin out) no parabens and DYE free.
- Glycerin in a humectant that allows moisture to retain to your skin so it does not strip your skin and make it dry.
- It deeply cleanses, while removing impurities.
