

Eucalyptus Shea Body Butter

Super powered Shea Butter Lotion infused with Eucalyptus Essential Oil is the perfect combination to ease chest congestion and clear respiratory tracts. Apply to chest in slow circular movements for intense relief from cold and flu season.

Key Ingredients

- Eucalyptus: has a minty pine scent with a touch of honey.
- Shea Butter enhances cell regeneration and capillary circulation.
- Vitamin E protects cells against free-radical damage.
- Beeswax has natural antibacterial properties and emollient properties which seal in moisture.
- Apricot Kernel Oil, which is rich in essential fatty acids, oleic, and linoleic, penetrates deep into the skin to moisturize and revitalize cells.

Benefits and Suggested Uses

- With shea nuts from Central Africa, the rich lotion helps eliminate ashy, dry skin.
- Healing: Eucalyptus has strong healing properties and is used to relax sore muscles and joints. Combine with JE Multi-Purpose Oil or Unscented Lotion to remedy burns, blisters, wounds, insect bites, or any skin irritations.
- Breathe easy: Eucalyptus helps keep your airways open and lets you breathe easy.
- Relieves colds: Eucalyptus Essential Oil is perfect for relieving colds and congestion.
