#### **Summer Fun Ring Toss**

At your Spa Parties this summer play an outdoor game, inside! Make a fun ring toss out of full water bottles (gotta keep it healthy). Stack up 6 bottles to look like bowling pins. Make a pipe cleaner into a circle to ring toss the bottles with. Tell guests if they ring toss and ring a bottle you have a Scratch Off Card to scratch and see what they won! You decide what you want to put under the scratch off sticker, be sure and put a few that say Book a Party! This is a great opportunity to tell about the hostess plan and all of the benefits. Always start with your hostess and let her rebook from her own show! It gets the crowd excited and shows the hostess loves this so much she will host again soon. Bonus info: give healthy tips to drink more water this summer when they ring toss!

### **Share why we are here tonight – Spa Show Card #15**

### **Monthly Theme Review**

Review our theme this month – Safe Summer Skin Care!

Lemongrass facts – keep the pesky bugs away and keep healthy all at the same time!  
Lemongrass Essential Oil is a blend of pure Lemongrass, Orange, Geranium, and Cucumber.

### **Benefits**

Cheer your spirit and enhance your mood! A fresh cut lemongrass fragrance blended with warm orange citrus, middle notes of light geranium oil, and cucumber.

### **Lemongrass**

Create a sense of emotional well-being, an important attribute to have in this fast-paced world. The

light citrusy scent is a great relaxing agent and acts as a type of tranquilizer tamping down on stress, anxiety, and even depression. It also has a bright note so as it calms it also cheers the spirit! You can add insect repellent and anti-fungal agent to the list of lemongrass essential oil properties. For some reason, pesky critters like biting flies, mosquitoes, fleas, and ticks do not like the smell of lemongrass and will avoid it.

### **Orange**

Known to bring joy and happiness with its bright citrus fragrance. Orange also works as an anti-depressant aromatherapy. Orange is also a mild anti-inflammatory oil.

### **Geranium**

Mood balancing properties. Also gives the Lemongrass a floral balancing note.

### **Cucumber**

Cool as a cucumber works with your stress reducing efforts! Cucumber has a light refreshing fragrance. Cucumber is also known as a moisturizing essential oil and adds extra emollient qualities to our oil.
