

# COOL THINGS THAT HAPPENED IN MAY

May. It just sounds nice, doesn't it? It's the promise of warmth and sunshine. May has served as host for some great events and special holidays. Check them out!

- MAY 5** - Thank your lucky stars. In 1962, Alan Shephard became the first American in space.
- MAY 10** - Golden Spike Day: The first transcontinental railroad was completed.
- MAY 18** - Napoleon crowned himself emperor of France in 1804, when he snatched the crown from the Pope and put it on his own head.
- MAY 20** - Amelia Earhart became the first woman to fly solo across the Atlantic.
- MAY 25** - Start your engines! The Indianapolis 500 is always on the Friday before Memorial Day.
- MAY 27** - 200,000 people waded across the Golden Gate Bridge to celebrate its opening.
- MAY 30** - Memorial Day in remembrance for those who have fallen in battle, raise your flag high and proud.
