

# Thankful Jordan Essentials November Training POD (Power On Demand)

## Flyers

Enjoy informative flyers and flyers that promote the month's specials. Print them off and frame them to have at Wellness Workshops, Spa Shows, and Events. You can also use them as an attachment to an email for a Hostess or Customer and post on a Facebook page.

You will find your monthly POD theme flyers in the Monthly Folder in the Jordan Essentials Training University.

## Spa Party Outline

Use your 60 Minute Party Steps (found in the JE University in the Spa Shows Section) to help keep you on track throughout the party.

## Welcome and Meet & Eat

Once guests begin arriving, welcome each one and encourage them to mingle, eat, and drink as other guests arrive. Choose foods that go with your theme. Take this time to get to know your guests. Listen for clues on skin care related issues they need solutions to.

## Hand Spa

Every party should include a hand spa. It is the first treatment they will receive and will make a lasting impression.

As guests arrive, the Hostess should direct them to you at the kitchen sink. During the Hand Spa time you'll have a great opportunity to continue getting to know the Guests, strengthening those relationships.

(Note: Have the Hostess serve refreshments at the beginning, so they have washed their hands, have eaten and can sit and visit BEFORE the show ...not during.)

Your Sink Set-Up Should Include:

- Hand Soap
- Salt Scrub
- Spoon or Scoop
- Shea Butter Lotion
- Paper Towels

Hand Spa Script - it's important that you use your own words; however, here's an example:

### EXAMPLE CONVERSATION WITH EACH GUEST

- (Place Hand Soap into the palm of guest's hand)

**My name is (name). I am glad you came to (Hostess)'s show. You are going to have so much fun tonight!**

- (After they have rinsed their hands, place Salt Scrub in the palm of their hands)

**Do you live near here? Have you ever used salt scrub before?**

- (Help her rinse her hands)

**Doesn't that feel great?! We call that the WOW factor. People always say wow when they rinse. Just imagine an allover body exfoliation or just your feet.**

- (Have her pat dry her hands and then give her a small dot of shea butter)

**Tell me what do you do to relax?**

**(Guest's name) what do you do with your time in your day?**

- (Have her finish her thought and send her to the area where the gathering will occur)

**(Guest's name), thank you so much for visiting with me. Take this foot tub into the living room and relax! I will be in shortly to share some other treatments and skin care tips. Enjoy!**

## **Game**

### **Animal Noises Game**

This game is sure to have your guests "roaring" with laughter. As your guests arrive at the party, ask them to write down their favorite animal on an index card that you provide. Tell them to write down anything BUT the rooster. Then have them write 5 random numbers between 1 and 30.

Once everyone has done this, the wackiness can begin. You call out the numbers from 1 to 30. You can do this in numerical order or just call them out randomly.

When someone's number is called, they have to act out the noise of the animal that they wrote down. Tell them to not be shy, either!

The first guest to have all 5 of her numbers called wins. However, in order for her to claim her prize, she has to stand up, bend her knees, flap her arms like wings, and crow like a rooster.
