

Healthy Skin ✦ Healthy Life™

TOP 5 REASONS

to Start Your JE Life

NEED A LITTLE OR A LOT? INCOME YOU CHOOSE!

Let's talk income: Whether it's full-time or something on the side, earn 25%-35% commissions with every order your customers (and you!) place. With rewarding opportunities for advancement, you'll earn an additional 5%-12% or more on your team sales. And generous Host Rewards and Booking Gifts make sales easy. Sharing the joy of natural products AND earning income? Kinda' perfect.

IN-DEMAND NATURAL PRODUCTS

Magnesium, lavender, sunflower oil—all the healthy stuff, without the toxins. With Jordan Essentials, you have the confidence of sharing goodness in every product you sell. Our made-in-the-USA passion for all that's good started with Founder Nancy Bogart, who continues to guide our "natural product mission" today.
