

## SPA POLISH

### *Face Care*

Customers rave about how well this Spa Polish works for oily skin types. Buff and polish away impurities for healthy clean skin!

### *Key Ingredients*

Walnut shells exfoliate the skin leaving it clean and fresh. It also has anti-aging properties and can hydrate the skin.

Joboba locks in moisture and exfoliates the skin. Jordan Essentials uses all natural Jojoba beads that are safe for the environment!

### *Benefits and Suggested Uses*

Spa Polish is an effective exfoliant infused with Jojoba Microbeads and cosmetic grade Walnut Shells. Gently buff face, rough hands, knees, and elbows back to a healthy glow.
