

ACTIVATED CHARCOAL SOAP

KEY INGREDIENTS

- The charcoal soap is designed to help with oily or acne prone skin.
- Enhanced with Tea Tree Oil that has traditionally been used for acne, athlete's foot, nail fungus, wounds, and infections in home treatments.

BENEFITS AND SUGGESTED USES

- Acne, oily skin, irritated skin all benefit from charcoal.
- All of our soaps are SLS (a shard surfactant that dries your skin out), Paraben, and Dye free.
- Glycerin is a humectant that allows moisture to retain to your skin, so it does not strip your skin making it dry.
- It deeply cleanses, while removing impurities.
