MINERAL MAKEOVER

6 MINERAL MAKEUP BENEFITS

Well, actually there are loads of benefits that mineral based cosmetics can bring. If you have never tried mineral makeup and know nothing about its advantages, here are the 6 greatest benefits that you can discover for yourself!

IT'S BREATHABLE

It is light, airy, and leaves your skin looking completely beautiful.

OUTSTANDING COVERAGE

It covers up redness and blemishes fantastically.

IT'S LIGHTWEIGHT

You don't have to worry about the makeup feeling too heavy or caked on.

IT'S EASY TO PUT ON

You only need a few swipes from your brush to have the needed coverage you are looking for.

IT'S LIGHT REFLECTIVE

Mineral makeup can get rid of any imperfections that can't be avoided with other kinds of makeup and it can get rid of shine.

IT'S OIL FREE

Keeps you from adding more oil to your skin.
