

HOW TO PURCHASE A JORDAN ESSENTIALS GIFT CERTIFICATE

As you are placing a consultant order, you can purchase a Gift Certificate by choosing “Gift Certificates” under the “Accessories & Gifts” heading.

Gift Certificates are available in the following increments: \$5, \$10, \$25, \$50, \$75, and \$100.

Choose the desired Gift Certificate(s) to purchase followed by “add to cart”, then complete your order as usual.

Jordan Essentials Gift Certificates are “Virtual Gift Certificates”. In that a gift certificate will not be shipped to you, you will receive the Gift Certificate Serial Number and PIN via email once your order is complete.

The Gift Certificate Serial Number and PIN are both required to redeem the Gift Certificate(s). Should you not receive the email or misplace the information sent in the email; you can retrieve the gift certificate information in the gift certificate register. The gift certificate register is located in the “Gift Certificates” section under the “Orders” heading.

Rather than forwarding the email you received with the Gift Certificate information to the recipient, you can download a Gift Certificate Template from the JE Training University for a more personal presentation.
