

Lip Gloss

Mineral Makeup

What girl doesn't like Lip Gloss? Crystal Clear Lip Gloss for those that want a little shine and a mineral tinted Sheer Pink to add a slight pop of color. Made with healthy beeswax, olive fruit oils, and castor seed oil. A Lip Gloss that moisturizes, smoothes, and naturally protects from the sun. Wear over Lip Butter Lipstick to give lips a healthy shine!

Key Ingredients

Olive Fruit Oils help lips stay smooth and firm. It absorbs UV radiation helping protect lips from sun damage.

Beeswax is a natural antiseptic and is an effective healing ingredient.

Castor Seed Oil has rich moisturizing properties.

Benefits and Suggested Uses

Lips do not contain oil glands so they tend to dry out very easily and become chapped. Crystal Clear and Sheer Pink Lip Glosses are packed with rich moisturizing properties and will help heal and prevent chapped lips.

Pair your Jordan Essentials Lip Gloss with a humidifier at home to increase moisture in the air and prevent dry and chapped lips.

The sun can cause chapped lips and make already chapped lips worse. Crystal Clear and Sheer Pink Lip Gloss have Olive Fruit Oils and Beeswax for double protection against harmful UV radiation.
